"MINISTRY UPDATE - EXPANSION!"

by Carol Gordon

[Heart Menders Bookstore](#)

"Enlarge the place of your tent, and let them stretch out the curtains of your dwellings; do not spare; lengthen your cords, and strengthen your stakes. For you shall expand to the right and to the left, and your descendants will inherit the nations, and make the desolate cities inhabited". (Isa 54:2-3)

Last month I wrote about expanding my embrace of our community, and now I discover the Lord has even bigger plans. Just yesterday, a visiting minister said to me, "The Lord has one word for you - EXPANSION!" I have had several prophetic words over the last year or so that indicated change and growth. A very pointed one had come in January, saying, "When are you going to step into what I have for you?"

I had been seeing in my spirit myself broadcasting on a screen. I was seeing that more and more after the first of the year. Most of you know I have had a local radio show for over six years. However, that did not include a screen image. I had never desired to be on television on a regular basis. Radio was comfortable and easy. But I do have a strong desire to obey the Lord!

At a ministers' conference I attended in January, someone encouraged us to honor what we "see" in our hearts. I realized I held on to images for others, better than I held on to them for myself. Then I met a man there who was broadcasting around the World on the Internet. Now that fit what I was seeing! I came home and told Steve about it and he reminded me we had a lot of things we were still working toward getting off the drawing board. I had to roll my excitement over on the Lord. Less than two weeks later, a pastor friend here started telling Steve about his success doing the same thing. As it turned out, he had met the same gentlemen at that conference last year! As I overheard their conversation I could only say, "Thank you, Jesus!"

So we are making plans to convert my lovely but unused parlor to "The Bridge" video studio, and do some shows - primarily interviews to start with - [streaming live around the world!](#) We also plan to begin streaming our Tuesday LABORATORY OF THE HEART meetings. We will also do some shorter teaching segments that will be edited and put on the web for easy reference. The live shows will also be archived on the web, and available at any time.

[Upcoming Events](#)

I have a long list of people who have already been on the radio show, who I will invite to be on the new show. I am constantly meeting new friends, mostly ladies, that have a vision for helping people in one way or another. I believe these will sow seeds of hope to many. On the radio, I could interview people over the phone. Eventually, we hope to have the technical capacity to have a split screen or some way to do that again. I don't think a picture of me talking on the telephone would work too well!

[Giving to HMI](#)

We have recorded all the messages Louis and I gave, and now Steve and Karen as well, since 1990. It was really hard to just set all those tapes aside when we began to use CDs. There was always a nugget of revelation from the Lord, that impelled those messages. Now I can go back and "re-mine" and refine them and present the vital point again in a concise form. A few of the "classics" we had upgraded to digital format. Some of those are available on the web. A few more will be also. The Lord specifically said that it would honor the anointing He gave if we made these available.

We recently filmed for DVD the current Heart Menders Healing Intensive - Part I, Purity for His Presence. This is the heart healing component of the Intensives. This month we will film Part II on "Authority for Warfare" and in April complete the series with "Relationship Interactions". This will make these more readily available. We hope that many around the world will avail themselves of the blessing of truths the Lord has given us, as we value what we have received from others.

An interesting side light is that the Lord has provided a new friend who is a cutting-edge dentist. I need some high quality work on my mouth to be "on screen" and he is providing this as a gift. I just have to drive down to Texas every couple of weeks, which is fun for me! The area has historical interest for our family and I am doing some research there.

I so desire to share the Lord's heart with people who need to know Him better. He gave a clear word to Louis and I years ago that we were to "HUG THE WHOLE WORLD". I am now seeing that possibility! When I started on radio, He said, "TELL THEM THERE IS HELP FROM HEAVEN", and I have done that faithfully. What a wonderful God we serve, that He should involve us in His grand plans!

And may the Lord make you increase and abound in love to one another and to all, just as we do to you, so that He may establish your hearts blameless in holiness before our God and Father at the coming of our Lord Jesus Christ with all His saints. (I Thess 3:12-13) Pray this with me this month and expand your vision for Heart Menders as well!

NEWS AND NOTES

Dear Partners and Friends:

I have had a spectacular month, as you can tell from the article above. Filming the Intensive went very well and we were so glad. We are looking forward to filming the other segments. Part II will be March 27th and 28th and III April 24th and 25th. We had a good group for Part I, perhaps you would like to be part of II and III. We take time off camera so that people can feel freer to share.

AGAIN I AM URGING YOU TO INCREASE YOUR PRAYER LIFE - FOR THE SAKE OF YOUR FAMILY AND THE BODY OF CHRIST! Include your home church and Heart Menders, as well. Again, I invite you to sign up on any of our prayer teams, for HM Prayer Requests, HM Support Team, HM Media Outreach, and Hope for the Hopeless Team.

Faith Fellowship Church is hosting David Herzog this next weekend. That has kept all of us busy, as we want to be well prepared. I will be running the book table. We have long desired to be open to and part of what God is doing in the earth. We look forward to being in THE GLORY ZONE. We have often had the strong presence of the Lord in services and prayer meetings. We are hungry for more. Heart

Menders has also had Words that people would come to our meetings who were hungry for God.

I am so thankful for our financial partners. Your gifts, large or small, are a great blessing to help in the work. Our goals reflect our mandate to "value the anointing" and give it out!

Please keep praying, "LORD, HELP CAROL FULFILL YOUR CALL ON HER LIFE!"

Your sister in Him,

Carol Gordon
